

**§ 162.016 Will BIA comply with tribal laws in making lease decisions?**

Unless contrary to Federal law, BIA will comply with tribal laws in making decisions regarding leases, including tribal laws regulating activities on leased land under tribal jurisdiction, including, but not limited to, tribal laws relating to land use, environmental protection, and historic or cultural preservation.

**§ 162.017 What taxes apply to leases approved under this part?**

(a) Subject only to applicable Federal law, permanent improvements on the leased land, without regard to ownership of those improvements, are not subject to any fee, tax, assessment, levy, or other charge imposed by any State or political subdivision of a State. Improvements may be subject to taxation by the Indian tribe with jurisdiction.

(b) Subject only to applicable Federal law, activities under a lease conducted on the leased premises are not subject to any fee, tax, assessment, levy, or other charge (e.g., business use, privilege, public utility, excise, gross revenue taxes) imposed by any State or political subdivision of a State. Activities may be subject to taxation by the Indian tribe with jurisdiction.

(c) Subject only to applicable Federal law, the leasehold or possessory interest is not subject to any fee, tax, assessment, levy, or other charge imposed by any State or political subdivision of a State. Leasehold or possessory interests may be subject to taxation by the Indian tribe with jurisdiction.

**§ 162.018 May tribes administer this part on BIA's behalf?**

A tribe or tribal organization may contract or compact under the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450f *et seq.*) to administer any portion of this part that is not an approval or disapproval of a lease document, waiver of a requirement for lease approval (including but not limited to waivers of fair market rental and valuation, bonding, and insurance), cancellation of a lease, or an appeal.

**§ 162.019 May a lease address access to the leased premises by roads or other infrastructure?**

A lease may address access to the leased premises by roads or other infrastructure, as long as the access complies with applicable statutory and regulatory requirements, including 25 CFR part 169. Roads or other infrastructure within the leased premises do not require compliance with 25 CFR part 169 during the term of the lease, unless otherwise stated in the lease.

**§ 162.020 May a lease combine tracts with different Indian landowners?**

(a) We may approve a lease that combines multiple tracts of Indian land into a unit, if we determine that unitization is:

(1) In the Indian landowners' best interest; and

(2) Consistent with the efficient administration of the land.

(b) For a lease that covers multiple tracts, the minimum consent requirements apply to each tract separately.

(c) Unless the lease provides otherwise, the rent or other compensation will be prorated in proportion to the acreage each tract contributes to the entire lease. Once prorated per tract, the rent will be distributed to the owners of each tract based upon their respective percentage interest in that particular tract.

**§ 162.021 What are BIA's responsibilities in approving leases?**

(a) We will work to provide assistance to Indian landowners in leasing their land, either through negotiations or advertisement.

(b) We will promote tribal control and self-determination over tribal land and other land under the tribe's jurisdiction, including through contracts and self-governance compacts entered into under the Indian Self-Determination and Education Assistance Act, as amended, 25 U.S.C. 450f *et seq.*

(c) We will promptly respond to requests for BIA approval of leases, as specified in §§ 162.340, 162.440, 162.530, and 162.565.

(d) We will work to ensure that the use of the land is consistent with the Indian landowners' wishes and applicable tribal law.
